

## **CALL FOR PAPERS**

Papers are invited showing recent trends in the sub- themes with a focus on cost effective and innovative technologies that could be replicated in the developing countries. Authors are requested to submit an abstract of their research work of not more than 500 words for review. The authors will be informed of the acceptance of the paper after review by the Scientific Programme Committee. The final camera ready manuscript must be submitted on the A4 size paper with single line spacing not exceeding 10 pages including tables and figures. All submissions must be in electronic form and hard copy. The proceedings of the Conference will be published in a standard format.

### **INTERNATIONAL CONFERENCE ON “HYDROLOGY AND WATERSHED MANAGEMENT” (ICHWAM-2006)**

#### **INSTRUCTIONS FOR PREPARING MANUSCRIPTS IN FINAL CAMERA- READY FORM**

1. Please read the guidelines carefully before the manuscript (full length paper) is typed. A consistent format is important for a professional looking publication.
2. Paper and Margins : Use A4 size paper with the following margins.  
Top – 1.75” ; Bottom – 1.75” ; Left – 1.5” ; Right – 1.25”
3. Justification : Justify both the left and right margins
4. Pagination : Do not use page numbers. Manuscript limited to a maximum of 10 A4 size typewritten pages (including abstract, references, tables, figures, etc.)
5. **Title’s Style and Size :**
  - (i) Paper Title : Times New Roman of Size 14, Initial Caps and Bold, Centre line alignment with Single line spacing

(ii) Headings : Times New Roman with Initial Caps and Bold with Single line spacing

(a) Abstract Heading : Size 9

(b) Headings in the text : Size 10

6. **Text Style and Size :**

(i) **Text in the Abstract :** Times New Roman of Size 9, Justify both the ends with Single line spacing. An Indent of 0.3” on either sides should be given and positioned at two lines below the Authors particulars. The abstract should not exceed 300 words.

(ii) **Text in the Body :** Times New Roman, Size 10, Justified on both the ends with Single line spacing. Text should be arranged in Two columns with a spacing of 0.2” between the columns and total width of the text including 0.2” spacing should be 5.5”.

7. **Names of Authors, Style and Size :** Times New Roman, Size 11, Initial Caps, Bold and Centre to the page and Place at one line spacing below the Paper Title. If the authors are more than one, their names should be numbered serially on their top right. The addresses of the authors along with their numbers should be mentioned immediately below the names of the authors with all the font properties of author names except the Bold property.

8. **Figures and Photographs :** All figures and photographs must fit within the same margins as the text. Place the caption below the figure and Centered with Initial caps having Size 10. All figures and drawings should be drawn on a good quality paper with black ink and numbered (including photographs) consecutively in the order they are mentioned in the text. No color photographs or figures are allowed.

Keep in mind that the entire page (text and figures) may be reduced by certain percent for the final proceedings. So numerals and characters must be large enough so as to be legible after reduction.

**Photographs :** In black and white with moderate contrasts should be pasted on a separate page as unmounted glossy enlargements. For photographic titles, follow the instructions of the figure titles.

9. **Tables :** Table title should be one line above the table in initialcaps with Size 10 and flush left. Place all table footnotes directly below the table. All tables must be numbered consecutively in the order they are mentioned in the text.
  
10. All figures, photographs and tables should be submitted on separate sheets.
  
11. **Equations :** Single line spacing should be given between text and equation and left flushed. Number the equations consecutively. Equation number should be in parantheses and flushed right.
  
12. **References :** The references should immediately follow the text rather than beginning a new page. Care to be taken to list all references cited and all listed references should be cited in the text.

References should be given as shown below :

Ex 1. To cite in the text :

It is observed by Vincenz (1968) that .....

Hard rock area comprises ..... (Pathak et al., 1990)

Ex2. For listing of references :

Vincenz, S.A.,1968. “Resistivity Investigations of Limestone Aquifers in Jamaica”,  
Geophysics, Vol.33, pp. 980-994.

Pathak, O.P., A. Rawat and M.N.Rao.1990. “Groundwater Modelling Techniques – A  
Case Study”, Groundwater, Vol.27, pp. 285-295.

13. **Units** : S.I. Units are recommended.

14. **Mathematical Symbols and Notations** : Should be defined wherever they first  
appear in the text.

The authors may please note that the papers will be reviewed by a Scientific  
Programme Committee which reserves the right to accept, reject or modify the paper  
before publishing in the proceedings. For the purpose of illustration to understand the  
guidelines, a specimen copy of the first page of a paper is here with attached. Please  
note that the authors must submit two hard copies of their research paper along with a  
soft copy in Compact Disc (CD).
